

## Career Opportunity

Position: Dockhand  
Positions available: 1  
Location: Sioux Lookout, ON  
Term: Contract FT, Approx. term May 15-Oct 15, 2022  
Remuneration: Commensurate with experience  
Benefits: Health, dental, prescription, optical and wellness benefits package

### Job Description:

Reporting to the Operations Manager, the dockhand plays a crucial role in a busy floatplane operation. Your duties will vary throughout the day supporting all aspects of our operation. This includes, but not limited to fuelling aircraft, coordinating loads and loading aircraft, interacting with customers, keeping aircraft clean, maintaining safe work environment, general errands and light administrative tasks as assigned from time to time. Light yard work, carpentry and other hands-on tasks can be expected.

The potential exists for extension throughout the winter months as a Cessna 206 pilot, pending satisfactory performance and an available position. We always try to promote from within, and, of course, it is our hope that our dockhand will move to a flying position. Out of fairness, however, we make no guarantee of extension or promotion.

### Minimum Qualifications:

- Canadian citizen or landed immigrant, with the legal ability to work in Canada right now. (Sorry, we are unable to provide sponsorship to foreign visa applicants)
- Canadian commercial pilot license

### Desired Qualifications:

- Seaplane class endorsement
- Pleasure Craft Operator Card and experience operating a small boat / outboard engine
- Demonstrated ability to work alone or in a team environment effectively
- Previous training for transportation of dangerous goods by air an asset
- Experience in a commercial seaplane operation relevant to the position
- General computer aptitude and a willingness to embrace electronic alternatives to paper
- Professional in appearance and manner
- Understanding and appreciation of First Nations culture and traditions
